PRAISE FOR *THE MOTHER OF JESUS IS WONDERFULLY REAL*

"Walk in Her Sandals is a devotional tapestry, richly woven from the poignant threads of women's intimate experiences of Jesus. Experience how those moments forever changed their lives, and moment by intimate moment, you, too, will be changed."

Sonja Corbitt

Catholic speaker, radio host, and author of *Unleashed*

"In Walk in Her Sandals you will hear a symphony of wisdom, insight, and practical application. What this team of women has accomplished is remarkable. They have opened up a world of opportunity for other women to enjoy their relationship with God and at the same time discover aspects of their being in a new and profound way."

Jeff Cavins

Founder of The Great Adventure Catholic Bible Study Program

"Walk in Her Sandals teaches readers to use imaginative prayer by bringing to life the women who accompanied Christ through his passion, death, and resurrection. It seeks to help contemporary women discover their own call to be missionary disciples in the service of the New Evangelization. Many will benefit from reading this book."

Most Rev. Andrew Cozzens

Auxiliary Bishop of St. Paul and Minneapolis

"This book truly makes the scriptural account of Christ's passion come alive! Readers will find themselves entering into the story in a whole new way and experiencing the unique gifts and central role of women. A treasure for spiritual growth during Lent and Easter!"

Mary Healy

Associate professor of Sacred Scripture
 Sacred Heart Major Seminary
